

NOTICE TO THE MARKET

MARCOPOLO S.A. (BM&FBovespa: POMO3, POMO4) announces that, on this date, through its subsidiary Syncroparts Comércio e Distribuição de Peças Ltda., an agreement was signed to establish a *joint venture* with Twice Investimentos e Participações Ltda., composed of the leading shareholders of Caio Induscar Indústria e Comércio de Carrocerias Ltda.

The purpose of this joint venture is to manufacture parts and accessories used in bus bodies for the domestic market, as well as the production of specific bodies for the foreign market. It is important to highlight that the new company is going to operate completely independently from the other parties, with its products even having a brand and design of their own.

The investment will be of BRL 10,000,000 in the first year, to be contributed equally between the two partners.
